Ms. Schweiger,

The San Pedro Lofts LLC is part of the San Pedro Historic Waterfront Business Improvement District. We provide many services in the area that improve the quality of life for all of the residents of your building. We've attached a flyer with a summary of our programs and services.

We are legally obligated to renew the District in order to continue providing services. As part of that process, we are asking property owners (or authorized representatives) to sign a petition to renew the District. A successful renewal will ensure that all services will continue beyond December 31, 2017.

Attached are several documents as part of the petition packet for your review. We also mailed this entire packet to 26 Corporate Park Drive #200, Irvine, CA 92606. We are requesting that you sign the signature pages of the petition and return to us this week, if possible. Signed petitions can be scanned and emailed to me. The City of Los Angeles needs time to verify the petitions and your prompt response would be greatly appreciated. If it is more convenient, we can arrange an in-person meeting.

We look forward to continuing our services for your residents.

Sincerely,

Lorena Parker

Ms. Schweiger,

My Board President Eric Eisenberg and I wanted to see if you were available next Tuesday or Thursday to discuss the renewal of the San Pedro Historic Waterfront Business Improvement District Upon receiving final approval from the City of Los Angeles, we will be requesting that you support the District renewal by signing a petition and ballot.

The petition drive will take place during the month of April. I've attached some DRAFT documents for your review. (I will bring them to our meeting so you do not have to print them out.) The San Pedro Management District Plan (MDP) summary is an abbreviated version of the complete Management District Plan. In the next couple of weeks, I will have the complete plan available. (about 60 pages) Please let me know if you would like to receive the complete plan.

In order to renew the District, we will need to collect signatures from more than 50% of all property owners (weighted by how much each owner pays) in the District. Once those signatures are collected, the LA City Council must pass an ordinance stating that it is the intention of the San Pedro BID to renew the district.

The term of our current District expires at the end of this year on December 31, 2017. By renewing the District for a 10-year term that will begin on January 1, 2018, we will ensure that there will be no interruption in services. The City of Los Angeles requires us to complete the process as shown in the attached timeline in order to meet the 8/1/17 LA County deadline.

We look forward to meeting with you to discuss the renewal of the San Pedro Business Improvement District.

Best regards,

Lorena Parker
